

# IMAGE Indoor Color Guard – Schedule for East Lake HS

Schedule for Saturday, March 3:

10:00 am Everyone meet at Largo High School; finish loading equipment  
*Please have all hair/make-up/etc. already done as much as possible!*

10:20 am Depart for show site:  
East Lake High School  
1300 Silver Eagle Dr.  
Tarpon Springs, FL 34688

11:00 am Arrive at show site  
*Please arrived dressed with hair and make-up already completed!*

After checking in, we will begin warm-ups outdoors.

Parents who help out—we will get a certain number of free passes. If we need more, we simply divide the total cost up among all the parents, so everyone pays a little bit instead of some folks getting them free and others having to pay the full amount. Anyone who is there to actually help move equipment, the floor, etc. can be part of that, but not if you are just there to be a spectator.

2:27 pm Enter the final warm-up rotation

3:01 pm Perform

Immediately after performing, we will take care of equipment, reload the floor, etc. After that, performers have time to watch other units perform and visit the concession and souvenir stands while the rest of Scholastic AA goes on, as well as Scholastic A, Independent Open and Independent World. Performers must sit on the back side bleachers.

5:31 pm Captains report for awards

The awards ceremony will begin as soon they can get it started after that. Once the awards ceremony is done, we will load up everything and return to Largo High. Once we have unloaded and stowed the floor & props, you are free to leave. Our best guess is that we will be back around 6:45 pm, but it depends on how quick they can start the awards, how quick we can load and leave, traffic coming back, etc.

Full details about the show, including the full information packet and complete detailed schedule are available on the FFCC website under the Events tab: <https://ffcc.org/colorguard-events/>
